

CORAL GABLES CONFERENCE 2001

XXX CONFERENCE ON HIGH ENERGY PHYSICS AND COSMOLOGY

List of Invited Speakers Include:

E. Bloom (SLAC), R. Daly (Penn State), E. Becklin (UCLA), L. Cominsky (Sonoma State), K. Dienes (U. of Arizona), M. Duff (U. of Michigan), P. Frampton (UNC, Chapel Hill), E. Guendelman (Ben Gurion University, Israel), E. Jenkins (U.C. San Diego), A. Kostelecky (U. of Indiana), A. Krisch (U. of Michigan), B. Kursunoglu (Global Foundation), A. Linde (Stanford), M. Longo (U. of Michigan), P. Mannheim (U. of Connecticut), F. Mansouri (U. of Cincinnati), S. Meshkov (Caltech), S. L. Mintz (Florida International University), R. Narayan (Harvard), A. Perlmutter (U. of Miami), H. Quinn (SLAC), P. Ramond (U. of Florida), M.H. Reno (U. of Iowa), I. Sarcevic (U. of Arizona), P. Sikivie (U. of Florida), M. Tegmark (Penn State), T. Weiler (Vanderbilt University)

Topics to be covered:

- Cosmic Microwave Background
- Cosmological Constant
- Inflation
- Cosmology and Extra Dimensions
- Neutrino Physics
- CP Violation
- Gravitational Waves
- Progress in String Theory
